Distributed Training Operations Center (DTOC)

Mission: To provide persistent training through Distributed Mission Operations (DMO) events and tests, and provide technical and analytical expertise in support of networked operations.

Major Customers: ANG, ACC, AETC, AFRC, AFSOC, AMC, NATO, Space Missile Defense Command (SMDC), SOCOM, USAFE, and PACAF

DTOC Scope

Requirement	Current Contract	Change in Follow-on Contract
DMO and Blended Live/Synthetic Training (BLST) Event Support	Support DMO connection and host DMO white force training.	Increase in DMO training with increase in users connecting and training.
Installation and Integration	New user sites, device types, and/or software into the ARCNet.	Increase in user sites connecting and being integrated into ARCNet.
Standards Development	CAF and MAF Standards Development Working Groups	No Change
Operational and Tactical Expertise	Pilot and Instructor SMEs for running white force training.	Additional Pilot and Instructor SMEs will be required to handle growth in user training.
ANG Operating Locations	2 Operating Locations (DTOC and Duluth)	3 new AOLs set up over length of PoP
OTI Technical Expertise	IT Support, hardware, environment generators, software tools.	Increase in IT Support, hardware, environment generators, software tools due to new AOLs and user sites.
Cybersecurity Expertise	RMF compliance, system security, accreditation, network connections, and maintaining ATOs on the ARCNet at multiple classification levels.	Increase in network connections to DTOC through new user portals. New ARCNet connections for new AOLs.

DTOC

Proposed Schedule for Follow-On Effort

FISCAL YEAR	FY 2018				FY 2019				FY 2020				FY 2021				FY 2022				FY 2023				FY 2024				FY 2025							
QUARTER	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4				
DTCO	Option Yr4				4-Mo Extension				ESIS				FOPR Release				Award Decision				OY1				OY2				OY3				OY4			
					ASP				Source Selection				4-mo Transition				Base PoP				6-mo Extension				Sustainment(Bridge)											

- DTOC Follow-on is being competed under TSA-III
- Planning Began Fall 2018
- On-site Industry Day: Mid/Late June
- FOPR Release: Late July 2019
- Est Contract Award: Late Feb 2020
- Industry will obtain updates from the program office via TSA III
