DAU Alexa Roadmap

Why? Alexa Skill Value Propositions

Advancing the Learner

- Bringing Learning to the Learner @ their time and place!
 - More telework post COVID
 - Learning on their own devices—device agnostic
- Tailored content and flow to the Learner
 - Voice-first multi-modal UX makes learning more engaging and frictionless
 - Serves as Virtual tutor / refresher

Advancing the Quality of Teaching

- Promote DAU branding & offering (courses, flash briefing) on Amazon market

Advancing the Infrastructure

- Innovative xAPI-enabled LRP leverages DAU Veracity LRS
- Common infrastructure as DAU Chatbot eases the integration, and increases reusability (author once and publish to multiple places) and return on investment
