Mission

“Execute the AR 350-38 TADSS Maintenance Program, providing integrated training systems sustainment and selected training services world-wide.”

Impact Statement

Every Soldier in the Army; every Abrams, Bradley, and Apache crew; every Brigade Combat Team going through a CTC rotation, trains using training devices maintained, and in some cases operated, by PL TSO. PL TSO also supports TADSS required for institutional training (schoolhouse) throughput.
As of 14 June 2022
