

# PL TSO

Mr. Robert J. Wolfinger, Project Lead TADSS Support Operations

---

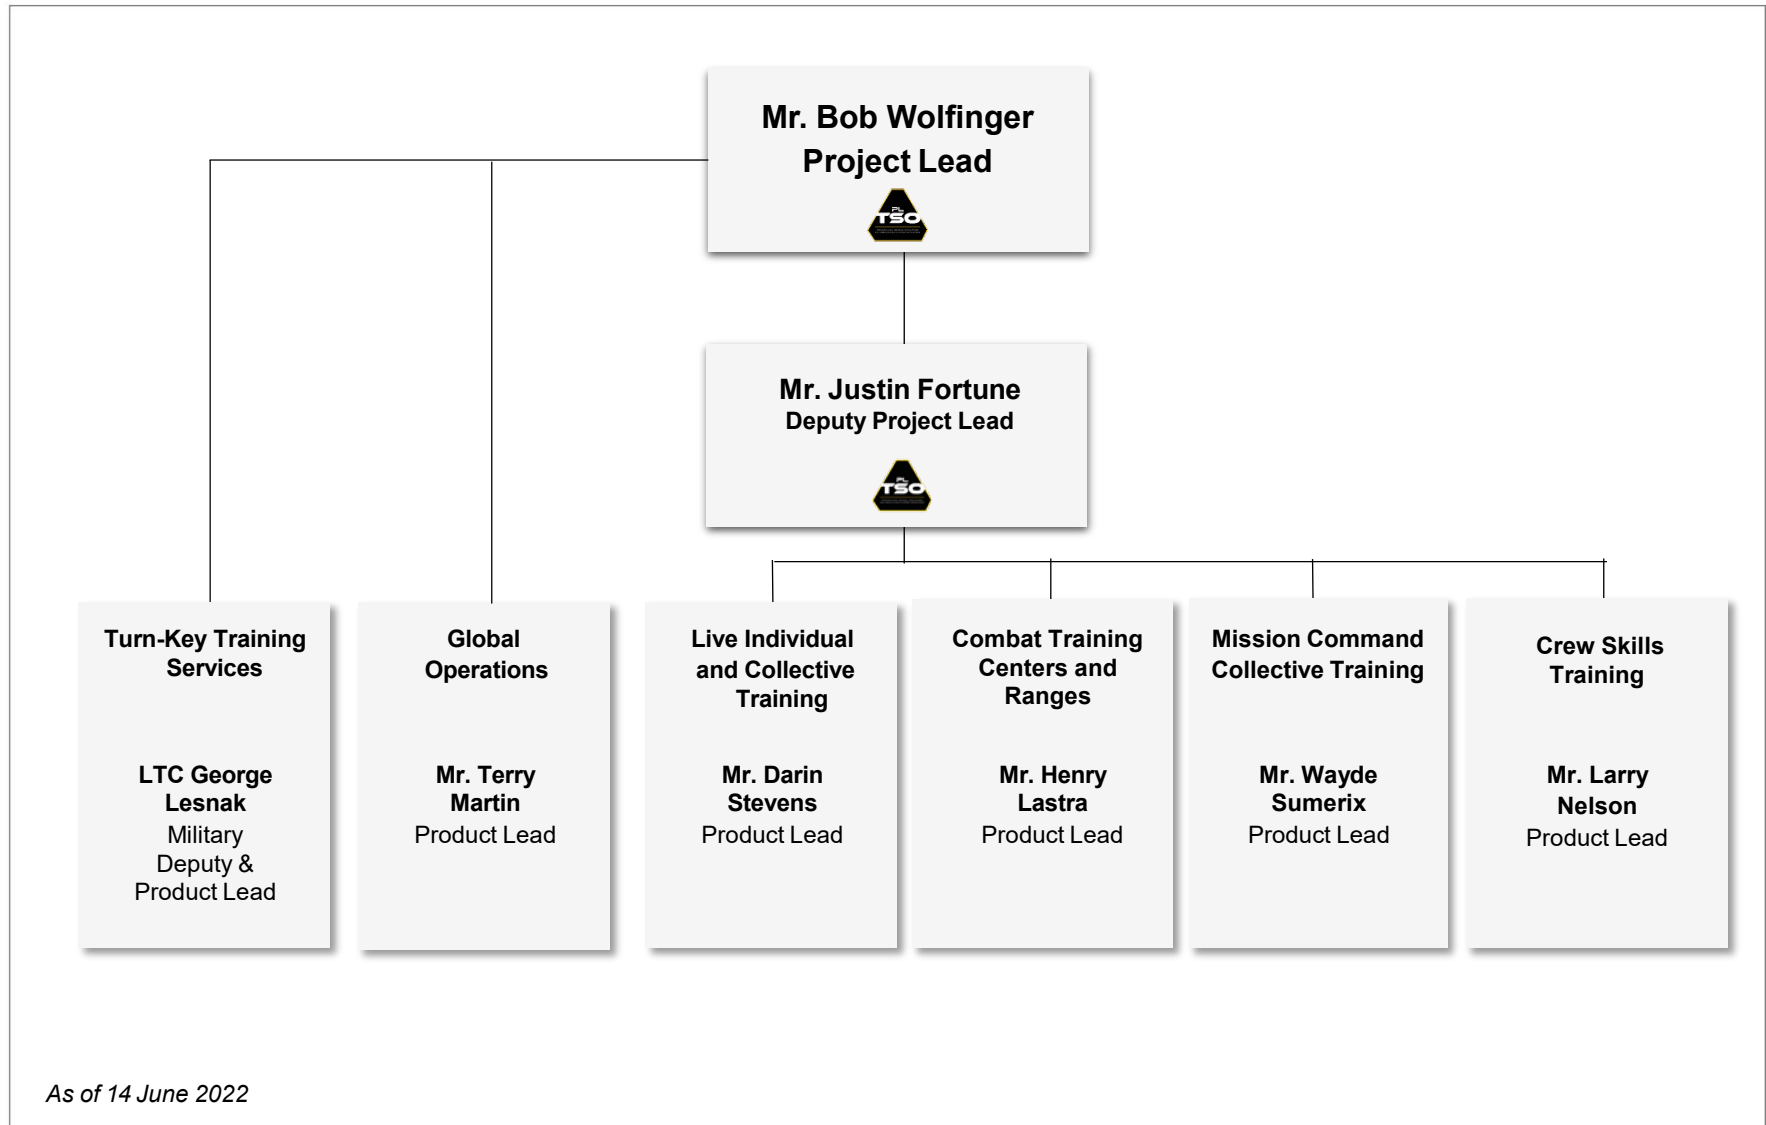

### Mission

**“Execute the AR 350-38 TADSS Maintenance Program, providing integrated training systems sustainment and selected training services world-wide.”**

### Impact Statement

**Every Soldier in the Army; every Abrams, Bradley, and Apache crew; every Brigade Combat Team going through a CTC rotation, trains using training devices maintained, and in some cases operated, by PL TSO. PL TSO also supports TADSS required for institutional training (schoolhouse) throughput.**

As of 14 June 2022
