## About NTSA

Organizations and individuals in the Modeling & Simulation and Training industries are represented through membership in the National Training & Simulation Association (NTSA), a proud affiliate of the National Defense Industrial Association (NDIA). NTSA provides the training, simulation, related support systems, and training services industries a focused, formal organization to represent and promote their business interests in the marketplace. NTSA also fosters relationships between the training industry, planners, and acquisition agencies regarding requirements, procurement issues, and policies.

## About TSIS

Held annually, TSIS provides industry an opportunity to network and interact with procurement officials for training and simulation products and services from the Army, Marine Corps, Navy, and Air Force. Industry looks for insight on near- and long-term opportunities, including Q&A sessions and panel discussions. The briefings also give acquisition strategies, timing and funding levels.
